Sir,

Assalamu alaykum warahmatullahi wabarakatuho.

The Localizing e-Governance for Accelerated Provision of Services (LeAPS) Program, a partnership between the Ministry of the Interior and Local Government (MILG) of the Bangsamoro Autonomous Region in Muslim Mindanao (BARMM) and the United Nations Development Programme (UNDP) supports the Office of the Chief Minister, all BARMM ministries, and Local Government Units by harnessing the transformative power of data, digitalization, and people-centered governance.

Being one of the target LGU of the LeAPS program, we would like to request your good office to send 3-5 personnel, preferably the service providers or personnel involves in the following services; **Building Permit, Real Property Assessment, Zoning Clearance, All Vehicle and Operator Franchising, and Tourism Info Booking**, to participate in the **Alpha Testing of 5 LGU Frontline Services** on **September 26 to October 3, 2023** at **General Santos City**.

The Alpha Testing is a phase of software development in which the system/application is tested with the real world scenarios by the intended audience or business representative.

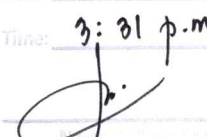

Should there be a need to reach us, please feel free to contact Ms. Aiza Edon at **(+63) 999-390-9239** or thru email address milg.istmd@gmail.com.

Thank you very much.

Respectfully yours,

ATTY. NAGUIB G. SINARIMBO
Minister
