Subject: Request for admission

Dear Sir/Madam,

With due respect, I, Didar-E-Kibria, father of **Dabeer-E-Kibria Jehran**, would like to request you consider my son's application for admission to your school for Class KG, for the current academic year. I have heard a lot about your school, and I would be a proud parent if my child gets admission to such a reputed school. I believe it would be a great opportunity for him to improve academically and have a bright career.

He has completed his nursery at **Shahajpath High School** with impressive grades (90%). For your reference, I can promise that he will continue to do his best if given an opportunity. I shall be highly obliged for the same.

Awaiting your positive response.

Thank you.

Yours faithfully,

Didar-E-Kibria

Father of Jehran
